Happy Mothers Day to all the wonderful Women in our lives

Your Mother is Always with You - Deborah Culver

Your mother is always with you.

She's the whisper of the leaves as you walk down the street,
She's the smell of certain foods you remember, flowers you pick,
the fragrance of life itself.

She's the cool hand on your brow when you are not feeling well.

She's your breath in the air on a cold winter's day.

She is the sound of the rain that lulls you to sleep,

the colours of the rainbow,

she is Christmas morning.

Your mother lives inside your laughter.

She's the place where you came from,

your first home,

and she's the map you follow with every step you take.

She's your first love, your first friend, even your first enemy.

But nothing on earth can separate you.

Not Time.

Not space.

Not even death.

Quote from Pope Francis

In our daily mission as baptized Christians, may the love of Christ push us toward the peripheries of our societies to meet our brothers and sisters who have been cast aside and abandoned, to show them the Lord's tenderness. Pope Francis [#GeneralAudience](#) 10/05/2023
